Our team of experienced professionals helps you to reduce Days Sales Outstanding (DSOs).

> **Recover Dead Money:** Most of the practices don't even realize how much money they're missing out.

> **Collection Letters:** We send collection letters to patients for their deductibles and for other liabilities.

> **Appeal Process:** If your claim filing time has been expired, don't worry we'll be providing all the possible assistance for your lost revenue.

> **Calling to Patient:** EMR Workforce provides you value added service to call patients to get information about their insurance information for filing the corrected claim to the insurance.

Working round-the-clock for your denial claims to make them to be paid.

We run aging reports to categorize Oldest to Latest & Highest to Lowest outstanding claims & follow-up with carriers.
